ACCREDITATION

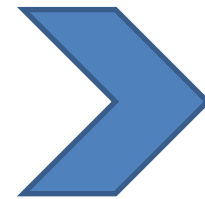

Accreditation helps determine if an institution meets or exceeds minimum standards of quality, and helps students determine acceptable institutions for enrollment.

EducationUSA only promotes accredited U.S. higher education institutions.

For accreditation information, refer to the [U.S. Department of Education](https://www.ed.gov/)

Liberal Arts and Sciences

General education

(2 years)

- General courses in the liberal arts and sciences
- Note: Many students choose to complete these requirements at a community college and then transfer to a 4-year college or university

Academic major

(2 years)

- Specific courses in your academic major
- Note: specialized degree programs such as medicine, law, dentistry, and pharmacy are only available as graduate programs
